

Family & Carepartner Dementia Seminars

Dementia Waikato runs regular seminars for people supporting someone who has dementia. These seminars are open to everyone and are suitable for family groups or individuals. Children 15yrs and over are welcome. If you are a person living with dementia, we provide alternative one-to-one education specifically to help you live well with the symptoms you are experiencing.

Pre-Registration is required for all Seminars please. Phone us on 07 929 4042 to book.

Your donation will be appreciated, but *there is no fee for Seminars.*

These seminars are funded by donations and charitable grants.
