

Family & Whānau Dementia Seminars

Dementia Waikato runs regular dementia seminars for people supporting/socialising/working with someone who has dementia. These seminars are open to everyone and are suitable for family groups or individuals. Children 15yrs and over are welcome.

For a person living with dementia, we provide alternative one-to-one education specifically to help you live well with the symptoms you are experiencing. Training for health professionals by arrangement.

Pre-Registration is required for all Seminars please. Phone us on 07 929 4042 to book.

There is no fee for these Seminars however, as these seminars are funded by donations and charitable grants, a donation/koha is appreciated.
